

Special Build Projects

If you have a requirement for a special cleaning procedure or a non-standard wash installation, then please contact us. We have the experience to help guide you to an effective solution to your problem with a system that is tailor-made, effective and economical. We can manage your project from start to finish.

Key Benefits:

- From small projects to large installations
- Project management from discussion to commissioning
- Many years experience in washing procedures
- Own brand machinery
